We had 18 Tuesday's throughout the season

You must have competed in 50% of the Tuesday to qualify for Low Net & Low Gross Average

9 is 50% of the games but I went down to 8 games and those are the only scores to qualify on the far right.

Shaded areas on the right did not qualify for this award because they did not play enough games this year.

I added all your scores and divided by the number of games you played & that gave you your average score for the year.
